Conduct Economic valuation studies and commercial services Plans

Economic valuation study

Study was conducted to:

- * Increase awareness , incentivize sustainable uses, galvanize support for conservation.
- * Better protect the threaten ecosystems,
- * Establish solid partnerships among the different stakeholders

Economic instruments(user fees ,taxes ,licenses...etc)can help generate revenues towards conservation.

- * Economic Authority,

- * More flexibility in

- management and

- financing systems

- * PA separate account

- ensuring revenue

- retention

- * PA separate account

A photograph of a sunset over the ocean. The sun is a bright yellow semi-circle on the horizon, casting a warm orange glow across the sky and reflecting on the water. The foreground shows a sandy beach. A white rectangular box is overlaid on the lower half of the image, containing the words "Thank You" in a black, elegant cursive script.

Thank
You
