

The Embassy of the Federal  
Republic of Germany in Cairo

and

The Ministry of State for  
Environmental Affairs

Have the pleasure to invite you to the 14<sup>th</sup> Panel Discussion of the  
**Cairo Climate Talks (CCT)**

**On March 12<sup>th</sup>, 2013 at 7pm**

To review and assess the following topic  
**„Energy Subsidies –  
Why Egypt has to act now“**

Following up on the three round table discussions in the past four months addressing energy in Egypt, organized by the Energy Research Center of the Faculty of Engineering of Cairo University in coordination with the Egyptian Ministries of Petroleum and Electricity, CCT will in its 14<sup>th</sup> event focus on how to reform energy sub-

sidy policies in Egypt. The event is designed as an open discussion with civil society.

We have the honour to welcome the following keynote speakers from Egypt and Germany, who will guide us through our discussion with their expert knowledge and valuable insight in the topic.

**Eng. Sherif Ahmed Sherif**

Head of Research and Information Unit  
Ministry of Industry and Foreign Trade

**Dr. Hafez Salmawy**

Managing Director  
Electrical Utility and Consumer Protection  
Regulatory Agency

**Dr. Mohamed El Sobki**

Director Energy Research Center  
Cairo University

**Dr. Tamer Abou Bakr**

Chairman of the Energy Unit at the  
Federation of Egyptian Industries

**Dr. Alia El Mahdy**

Professor of Economics  
Cairo University

**Dr. Albrecht Kaupp**

Senior Policy Advisor GIZ at the Federal  
Ministry for the Environment, Nature Con-  
servation and Nuclear Safety

The discussion will be moderated by Eng. Emad Ghaly, Energy Expert.

**NEW Venue**

Youth Leaders/Civic Education Center National Council for Youth  
Al Borg Street, Zamalek  
in front of African Football Union & Anglo American Hospital
