# WHO ARE WE

- © DAYRA for Alternative Fuels established 2012 working in Recycling business , we Manage 4 recycling plants in Egypt also we are RDF ,biomass , TDF and wood pellets supplier for cement factories in Egypt and Morocco .

# OUR PRODUCTS & SERVICES

- ① **RDF (Refuse Derived Fuel)**
- ① **Biomass**
- ① **TDF (Tires Derived Fuel)**
- ① **Wood pellets**
- ① **Environmental consulting**

# RECYCLING CONCEPT

- ③ **DAYRA started in business with 1 simple concept "Solve industrial waste problems and redirect raw material waste streams."** It is with this attitude that we positively affect the environment we live in. DAYRA plays a critical and important role by encouraging companies that would want to increase their visibility as leaders in their industries and partner with us to explore the many opportunities that recycling can play in their continued growth and success
